The GLC is a pioneering competition for international and bilingual schools, designed to equip students with the skills needed for today's rapidly changing world. Through four dynamic challenges—Business Mastermind, StarStage Quest, AI Showcase, and Global Unity Debate, students develop creativity, adaptability, and leadership.

Melanie Dowler
Programme Director

The GLC is the only student competition in the UK officially accredited by the British Council.

The programme is designed for students aged 12–17 years. However, Kingfisher Education Group reserves the right to accept 18-year-old students who are in the same year group and attending as part of a group.

4 Core Team Competitions

Business Mastermind

Students tackle real-world business challenges by developing a business plan and pitching it in English. With guidance to apply Business skills taught by English teachers before presenting to a judging panel including UK based business leaders.

StarStage Quest

Students explore global themes through a collaborative drama project inspired by Shakespearean plays. From scriptwriting to performance, they examine global issues, drawing parallels to Shakespeare's themes.

Virtual Reality Showcase

Students use the latest VR headsets to explore the impact of AI on the development of information sharing. They will showcase their technological skills and awareness of AI through various media, using Meta and Spatial's Creators Toolkit.

Global Unity Debate

Students engage in a dynamic Global Debate simulation, experiencing international diplomacy through realistic contemporary scenarios. They negotiate resolutions and sharpen persuasive arguments.

Event Aims

- Develop students' ability to apply English effectively in a variety of scenarios, using subject specific vocabulary
- Develop transferable skills to apply and complement other areas of their future learning
- Celebrate creativity, collaboration and innovation through a shared event
- Promote students' understanding and development of their self-belief, self-confidence and self-worth to help them achieve their goals.

Event Content

The Global Leaders Championship offers junior students the opportunity to develop their communication, collaboration, creative and innovation skills through a range of applied English classes, subject specific talks led by leaders in their subject field, masterclasses and competitions.

Students will attend a number of classes which will build upon their English skills for speaking and listening, reading and writing, enabling them to apply this knowledge to the competitions and their future career paths. They will develop subject specific vocabulary for business, debating, stage production and technology, and learn to use their voice tone, intonation and body language to deliver their message to different audiences in a variety of scenarios.

Students will listen to a range of inspirational talks, from expert in their field, to develop their listening skills and develop a range of vocabulary to enhance their understanding of career topics to support their future learning. Using this subject specific information, the students will prepare for and take part in four competitions, VR Showcase, Star Stage Quest, Business Mastermind and Global Unity Debate, to demonstrate their knowledge and learning.

The Global Leaders Championship event will help students to become more confident with applying their use of English in a wider range of challenging situations, helping to build their confidence to enable them to believe they can make a difference as the leaders of tomorrow.

Learning Outcomes

By the end of the Global Leaders Championship, students will:

- Be more confident when applying English skills to specific tasks.
- Have a wider subject specific vocabulary for business, stage production, debate and technology.
- Be able to use voice, movement, expressions, visuals, and body language to captivate an audience.
- Craft narratives that leave a lasting impact, through storytelling structures, character development, and thematic exploration to support their purpose.
- Work as a cohesive team to blend individual strengths to achieve goals.
- Understand how to listen to the views of others, consider their position, apply logical reasoning and use persuasive language, to develop the confidence to craft and present a strong arguments
- Recognise how skills like critical thinking, problem-solving, communication, collaboration, empathy, innovation and creativity are invaluable in future careers.

Assessment Criteria

Prior to the event the students will complete an online assessment of their use of English language capabilities to assist with differentiation of classes.

Throughout the event the students will have verbal feedback from English and specialist teachers to help them develop their skills, be more confident when applying English to new tasks and improve their competition entries.

The students have an individual workbook which has tasks to complete for their classes. These will be reviewed by their school mentors who will give verbal feedback to aid the students' development and understanding.

The final assessment will take place through the four competitions. Specific judging criteria will be used by the independent judges based in the rubrics for the event.

Terms & Conditions

Accuracy of Details

We accept bookings on the understanding that the schools provides us with accurate details. At any time during the course we may request to see official documentation (eg. a passport) to confirm a child's age and identity. If proof cannot be provided, or if we discover that significantly inaccurate details have been provided then we reserve the right to remove the child from the course without refund of fees.

The deposit

For all groups we request a non-refundable deposit of GBP 100 per person to secure the booking. This must be paid within 10 days of making the booking: if not, the place will automatically become available to other groups.

The balance

The balance of fees is payable 4 weeks prior to the group arriving. If a booking is made less than 4 weeks before attending, the deposit and balance will be payable within 10 days. If any fees remains unpaid 14 days or more after the payment date on the invoice the place will be cancelled.

Cancellation & withdrawal

There will be no refund of fees if a booking is cancelled within 4 weeks of arrival or if a student fails to attend a course. If we receive notice of cancellation in writing more than 4 weeks prior to the course start date then we will refund some or all of your payment providing we can fill the place. Depending on the reason for cancellation you may be able to reclaim some or all of your losses from your insurers.

Exclusion

We reserve the right to expel a student at any time, without a refund of fees, should we determine that such action is in the students best interest or if the child's behaviour is deemed detrimental to the overall welfare of others. Reasons for exclusion may include - but are not necessarily limited to - bad behaviour; self-harming; the consumption of alcohol or illegal drugs; smoking at school; bullying.

Changes to the programme

Programme details are published in good faith. We reserve the right to make changes to any aspect of the course if necessary including activity programmes and airport transfers.

Insurance

Travel and medical insurance is NOT included in the course fee. All students attending our camps MUST book their own comprehensive travel and medical insurance. Students will not be allowed on the programme without the relevant travel insurance in place. We recommend Guard.me. for comprehensive international student travel insurance. <https://guardme.eu>

Unaccompanied Minors

We recommend that any students aged 10-16 years travelling alone travel as an Unaccompanied Minor on the arrival/departure flight. Kingfisher Education arrange friendly and experienced drivers for all private airport transfers.
